## Bridget Globe Chandelier By Crystorama

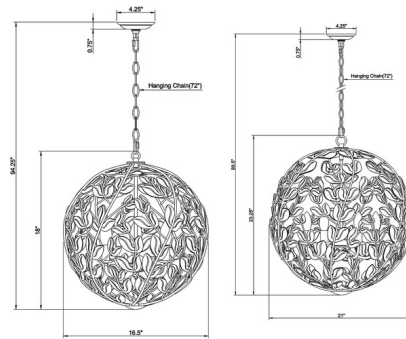

### Description

The Bridget Globe Chandelier brings the beauty of nature and artisanal craftsmanship into your home. Its elegant globe shaped frame is adorned with handblown glass leaves inspired by the organic forms of the natural world. Cascading along graceful scrolling branches, each individually crafted leaf creates a sense of movement, balance, and effortless elegance. Made using time honored artisan techniques, the sculptural glass features subtle variations, flowing curves, and a distinctive wavy texture that beautifully captures, diffuses, and refracts light throughout the space.
