Bennington Vertical Pendant

By hollis+morris

Description

The minimal and stylish Bennington Vertical Pendant fits the needs of a variety of spaces either clustered together or standing alone. The pendant's slim, vertical body is made of solid wood for a warm, earthy aesthetic, while a metal end cap at the bottom of the pendant adds a sleek modern touch. Frosted diffusers along the sides of the pendant provide softly diffused illumination. Includes 7.1 inch diameter canopy in white finish.

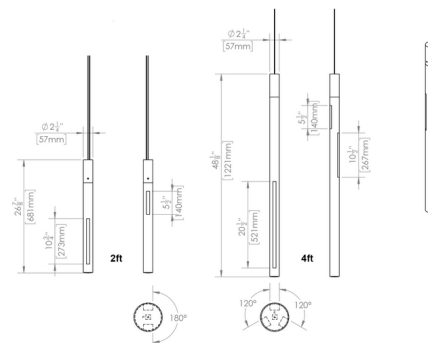

Shown in natural oak / brushed stainless
