### Description

The Stala Portable Table Lamp features a vertical stack of spherical forms in wood and glass, recalling the upward growth of a stalagmite. Balancing the warm earthiness of wood grain with the ethereal glow of illuminated glass, Stala offers a quiet, statuesque presence that will enhance any interior. The lamp is equipped with a built-in rechargeable battery and 3-stage dimmer button (100/70/30% brightness), allowing it to be placed wherever it is needed to create the perfect ambiance.
