Apollo 14 Wall Sconce

By Pholc

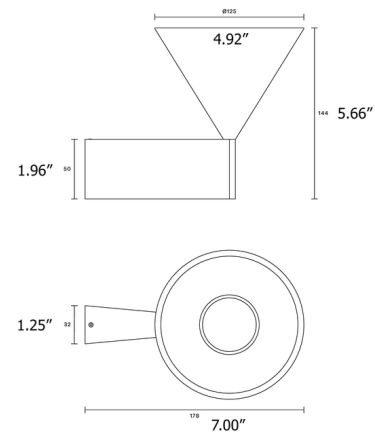

Description

With its minimalist yet dynamic style, the Apollo 14 Wall Sconce is ready for a variety of interiors. A sleek cone shade directs light up or down a wall to wash the surface. Install with the shade facing up or down. This sconce does not fit on a standard junction box, so a back plate (#10051) is included, not pictured.

Shown in red orange / aluminum
