Half Meter Floor / Table Lamp

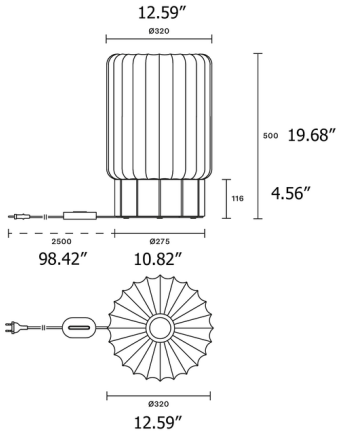

By Pholc

Description

Drawing inspiration from the architecture of the Brooklyn Bridge, the Half Meter Floor / Table Lamp combines illumination with a strong sculptural appearance. An even balance between the soft lampshade and the column-shaped aluminum base forms an engaging contrast. An ideal selection for hotel lobbies, lounges or living rooms. To control the lamp, press the button once to turn the light on or off, and hold the button to dim.

Shown in aluminum / cocoon
