Ashford Linear Pendant

By Alora Mood

Description

The Ashford Linear Pendant brings mid-century modern design into contemporary spaces with clean lines and soft, curved triangular shades. Sleek rods and arms create a harmonious, sculptural look while providing evenly distributed light, making it ideal for kitchen islands, dining tables, or workspaces. Combining minimalist elegance with classic mid-century charm, this pendant adds both function and style to transitional, modern, or eclectic interiors. Its refined silhouette makes it a statement piece without overpowering the space.
