Box Color-Select Outdoor Ceiling Light

By Alteck Lighting

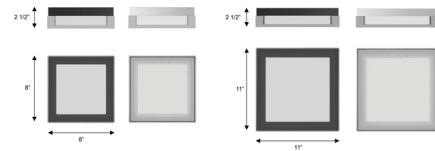

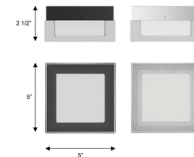

Description

The Box Color-Select Outdoor Ceiling Light offers a sleek design that blends modern aesthetics with function. Crafted from acrylic, a clear exterior creates a sense of visual depth and interest, while a frosted interior softens the LED illumination and reduces glare. Perfect for a covered porch, walkway, or even utility space. LED color selectable options include 3000K, 4000K, and 5000K.
