Sunrize Color-Select Outdoor Wall Light By Alteck Lighting

Description

Inspired by the horizon at dawn, the Sunrize Color-Select Outdoor Wall Light evokes the soft glow of a new day. To create the skyline, a dark outline mimics a stretch of clouds, with a painted brass plate behind like the glow of the sun. When illuminated, an integrated LED band along the inner edge of the frame washes over the abstract form. An additional downlight provides extra illumination. Perfect for a front porch, entry, or even powder room. LED color selectable options include 3000K, 4000K, and 5000K.
