Arles Color-Select Outdoor Wall Light By Alteck Lighting

Description

The Arles Sconce transforms a front porch light into a sleek, modern accent. A grooved, acrylic blade runs along the front panel, secured with a simple metal band. When illuminated, light filters through the textured acrylic and from the base for added practicality. Perfect for a front porch or deck. LED color selectable options include 3000K, 4000K, and 5000K.
