Zoey Color-Select Outdoor Wall Light

By Alteck Lighting

Description

The Zoey Color-Select Outdoor Wall Light showcases a striking blend of natural black and gold marble. Set over a painted antique brass plate, the marble appears to float when illuminated by a concealed LED backlight, washing light outward across the brass surface. An additional downlight at the base provides extra illumination. Perfect for a front porch, deck, or anywhere you need a touch of glam. LED color selectable options include 3000K, 4000K, and 5000K.
