Blend Color-Select Outdoor Wall Light

By Alteck Lighting

Description

The Blend Color-Select Outdoor Wall Light showcases a fluid form, ready for a variety of exterior spaces. A sculpted fiberglass disc is paired with a contrasting polished stainless steel plate that appears to float in the center. When illuminated, light emanates from behind the silver plate, washing light over the painted brass finish. LED color selectable options include 2700K, 3000K, 3500K, 4000K, and 5000K.
