Blossom Color-Select Outdoor Wall Light

By Alteck Lighting

Description

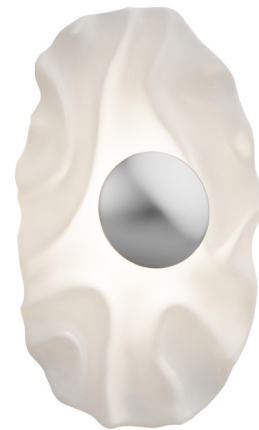

The Blossom Color-Select Outdoor Wall Light transforms organic inspiration into a soft, textural accent. A fiberglass body dips and whirls to create the layered shape, accented by a backlit stainless steel center medallion. When illuminated, light spills over the dynamic surface in a play of light and shadow. LED color selectable options include 2700K, 3000K, 3500K, 4000K, and 5000K.
