Corithian Color-Select Outdoor Wall Light

By Alteck Lighting

Description

Inspired by classic Greco-Roman columns, the Corithian Color-Select Outdoor Wall Light showcases a bold, sculptural aesthetic. Deep linear channels run the length of the sconce to form a geometric and dynamic sense of depth and movement. When illuminated, light shines from the top and bottom to wash the wall. LED color selectable options include 3000K, 4000K, and 5000K.
