Sablier Pendant

By Bert Frank

Description

The Sablier Pendant features a frosted glass shade accented by a ridged brass cap. The contrast between the opacity and texture of the brass with the smooth, translucent glass adds an understated contrast to Sablier's sleek, minimalist silhouette. Note: The Overall Height from the ceiling to the bottom of the fixture is not field adjustable and must be specified to order, up to 60 inches. Please include your desired overall height in the Additional Instructions / Notes section during checkout.
