Cadelaria 2-Tier Chandelier

By Dainolite

Description

The Cadelaria 2-Tier Chandelier hangs like a soft, sculptural focal point, bringing a relaxed transitional feel to a dining room or foyer. A unique two-tier shade crafted from string adds texture and dimension, while metal details keep the silhouette clean and tailored. Designed for hardwired installation, it's height adjustable and can be adapted for a sloped ceiling when needed.
