Nena Linear Pendant

By Dainolite

Description

The Nena LED Horizontal Pendant sets a calm, transitional glow with a faux alabaster styrene shade that softens and spreads light across a wide span. A metal build keeps the look crisp and tailored, while the height-adjustable 72 inch cord lets you dial in the hang over a kitchen island or in a bathroom. Fixed 3000K color temperature and damp location rating make it a practical and polished choice.

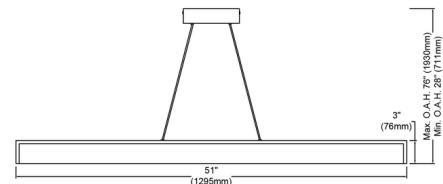

Shown in aged brass / faux alabaster
