Nena Tapered Pendant

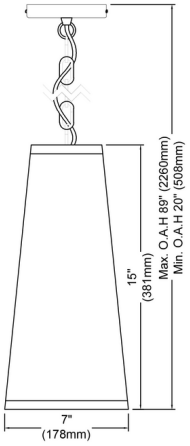

By Dainolite

Description

The Nena Tapered Pendant sets a calm, transitional note with a faux alabaster styrene shade that softens the light for an inviting glow. A height-adjustable 72 inch cord lets you fine-tune where it hangs, and it can be mounted on sloped ceilings for added flexibility. Designed for hardwired installation, it layers easily over a kitchen island or in a bathroom.

Shown in aged brass / faux alabaster
