Reuben Circular Pendant

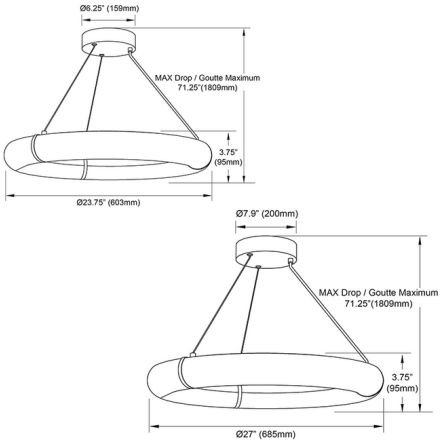

By Dainolite

Description

The Reuben LED Circular Pendant casts a calm, contemporary glow with a clean ring silhouette that feels right at home over a dining table. A faux alabaster shade softens the light for a stone-like look, while the metal frame keeps the profile crisp and architectural. It's a natural fit for open-concept spaces, with a height-adjustable 72 inch cord and sloped-ceiling adaptability.

Shown in aged brass / faux alabaster
