Reina Pendant

By Dainolite

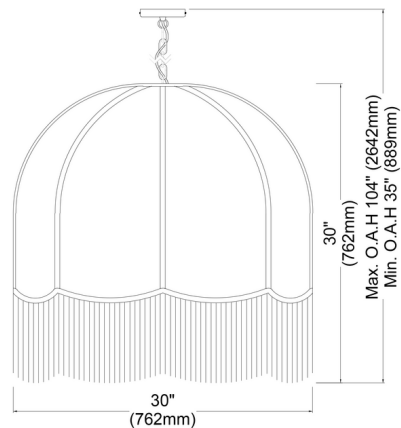

Description

The Reina Pendant brings a traditional touch overhead with a fabric shade that softens the look of your dining room or entryway. A fringe-trim edge adds subtle texture and a gentle sense of movement, while the metal details keep the silhouette feeling tailored. Hang it to suit your ceiling height with the adjustable 72 inch chain, and count on a hardwired design made for both homes and commercial spaces.

Shown in aged brass / white
