Talulah Color-Select Table Lamp w/Bluetooth Speaker

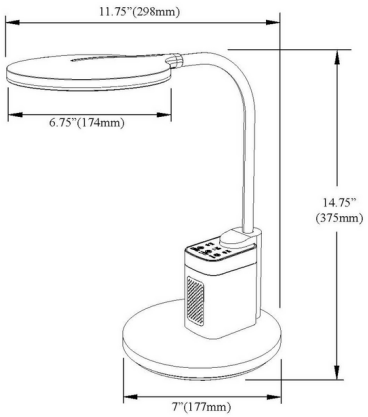

By Dainolite

Description

The Talulah LED Table Lamp with Bluetooth Speaker brings a clean modern glow to a bedside table or living room console, with audio built right in. A built-in LED light source teams up with a nightlight mode and 3-in-1 CCT (3000K/3800K/5700K), while a touch sensor on the base keeps control simple. Its streamlined plastic build tucks in easily when you want lighting and a Bluetooth speaker in one spot.

Shown in matte black / white
