Temora Table Lamp

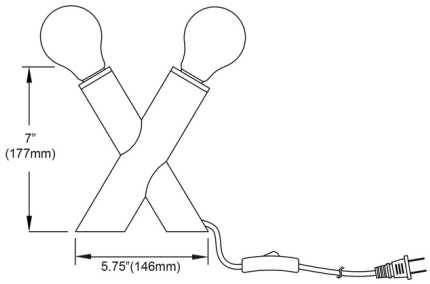

By Dainolite

Description

The Temora 2 Light Table Lamp brings a sculptural, transitional presence to a nightstand or desk, casting balanced light from its dual-light design. A metal build and a space-conscious footprint make it easy to layer into everyday lighting without crowding your surface. Plug it in, flip the rocker switch (on cord), and settle into focused reading or a softer end-of-day glow.

Shown in matte black
