Yvonne Color-Select Adjustable Picture Light By Dainolite

Description

The Yvonne LED Picture Light brings gallery-style focus to your favorite wall moments, casting clean, even illumination that helps artwork and photos feel crisp and intentional. A focused beam and adjustable head let you fine-tune the angle to reduce glare and frame the piece just right, while the metal-and-glass build keeps the look contemporary. Install as hardwired or plug-in for flexible placement options. Use the rocker switch on the cord for easy everyday control. Features color-select technology which allows user to select between 2700K, 3000K, 3500K, 4000K and 5000K color temperature options.
