Kute5 Smart Flush Ceiling Fan with Double Walled Light By Fanimation

Description

The Kute5 Flush Smart Ceiling Fan with Double Walled Light offers the perfect blend of modern design, powerful airflow, and smart technology, all in a sleek, low profile. Designed specifically for spaces with lower ceilings, this flush mount fan includes a snug, streamlined installation, making it an ideal choice for bedrooms, kitchens, and covered outdoor areas. Featuring a five-blade design, the Kute5 delivers balanced performance with a quiet, energy efficient DC motor and six speed settings. The integrated 16W LED light kit includes a double walled glass diffuser for a soft, elegant glow and features CCT Select technology, allowing you to choose from five color temperature settings ranging from 2700K to 5000K. With 1,600 lumens and a high CRI of 90, the light is bright, clear, and adaptable to any mood or time of day. Smart features come standard with built in fanSync Wi-Fi and a TR360 remote, giving you full control via smartphone or voice assistant. Available in a range of designer motor and blade finishes, this Kute5 brings elevated style, advanced comfort, and space saving performance to any setting.
