Kute5 Smart Flush Ceiling Fan By Fanimation

Description

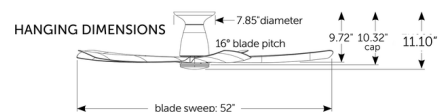

The Kute 5-Blade Flush Smart Ceiling Fan is the ideal solution for spaces with lower ceilings that still demand powerful performance and refined style. This flush mount version features a low-profile installation using the included Close-to-Ceiling Kit, creating a clean, streamlined look while delivering balanced airflow through its five-blade design. Perfect for both indoor rooms and covered outdoor areas, the Kute5 delivers quiet, energy-efficient air movement powered by its advanced DC motor with six speed settings. The option equipped with a 16W integrated LED light kit features CCT Select technology that lets you choose from five color temperature options, 2700K to 5000K, for tailored lighting to suit any mood or task. With a bright 1,600-lumen output and high CRI of 90, the light provides crisp, natural illumination. Smart control comes standard with built-in fanSync Wi-Fi and an included TR360 handheld remote, making it easy to manage your fan and light from your smartphone or voice assistant. Offered in a range of premium motor and blade finishes this Kute5 brings modern versatility, energy efficiency, and elevated design to your home's coziest or most compact spaces.
