Kute5 Smart Flush Ceiling Fan with Knurled Light By Fanimation

Description

The Kute5 52 Inch Flush Mount Ceiling Fan with Knurled LED Light Kit is the ideal combination of bold design, high performance, and low-profile functionality. Built specifically for rooms with lower ceilings, this flush mount version features a compact installation that hugs the ceiling while maintaining powerful airflow and modern aesthetics. Its five-blade design offers a more traditional look and delivers balanced, efficient air movement. This version includes a distinctive 16W integrated LED light kit with a stylish knurled metal trim and advanced CCT Select technology. Choose from five color temperatures ranging from 2700K to 5000K to customize the ambiance of your space. With 1,600 lumens and a high CRI of 90, the light offers bright, clear, and accurate illumination. Smart home integration is seamless with built-in fanSync Wi-Fi and the included TR360 remote, giving you full control from your smartphone or voice assistant. Offered in a wide range of motor and blade finish combinations this Kute5 ceiling fan brings smart comfort and designer style to any space that needs a sleek, performance-driven solution.
