Corke Smart Ceiling Fan with Light By Fanimation

Description

Sculptural and contemporary, the Corke Ceiling Fan Collection brings modern style and efficient performance to spaces of all sizes. Corke is designed to provide the right scale and airflow for everything from compact rooms to larger living areas and covered outdoor spaces. Its aerodynamic, curved blades and clean, low-profile form create a bold visual statement while maintaining a refined, minimalist look. Powered by a quiet, energy-efficient DC motor, Corke offers six fan speeds and reverse airflow for year-round comfort. An integrated LED light with an opal frosted shade delivers bright, even illumination with selectable color temperatures (2700K/3000K/3500K/4000K/5000K) to match your environment. Rated for indoor and damp locations, Corke is ideal for bedrooms, offices, patios, and outdoor living spaces. With convenient remote control operation (included) and multiple finish combinations available, the Corke Collection combines versatility, style, and performance in one cohesive design.
