Lizza Smart Ceiling Fan with Light By Fanimation

Description

The Lizza Ceiling Fan blends sculptural design with high-performance functionality, making it a striking centerpiece for both indoor and covered outdoor spaces. Its gracefully curved three-blade design delivers a modern, elevated look while providing smooth, efficient airflow powered by a quiet DC motor with six speed settings. Installation is made simple with KwikWire technology, allowing for quick and secure electrical connections. Designed for versatility, Lizza includes an integrated LED light with CCT Select technology, offering five selectable color temperatures (2700K/3000K/3500K/4000K/5000K) to create the perfect ambiance. Damp-rated for added flexibility, it's ideal for living spaces, bedrooms, and covered patios alike. The included TR360 handheld remote puts full control at your fingertips, while a range of sophisticated finish combinations ensures Lizza complements any style with ease.
