Yogi Smart Ceiling Fan

By Fanimation

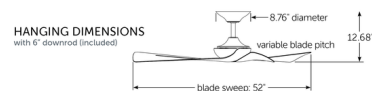

Description

The Yogi Smart Ceiling Fan brings together sleek, minimalist design and powerful performance to create a statement piece for any indoor or covered outdoor space. Its three-blade configuration features clean, modern lines with a dynamic, sculptural profile that enhances both contemporary and transitional interiors. Driven by a highly efficient DC motor with six speed settings, Yogi delivers smooth, quiet airflow for year-round comfort. Installation is simplified with KwikWire technology for quick, secure electrical connections, while the included TR360 handheld remote offers convenient control, including reverse functionality at the touch of a button. Damp-rated for added versatility and available in a range of sophisticated finish combinations, the Yogi is the perfect balance of form, function, and effortless style.
