Pendry Max Smart Ceiling Fan By Fanimation

Description

The Pendry Max Smart Ceiling Fan is designed to make a bold statement in large indoor and covered outdoor spaces. Featuring a sleek contemporary silhouette, powerful DC motor, and expansive blade sweep, Pendry Max delivers exceptional airflow with quiet, energy-efficient performance. An integrated dimmable LED light kit enhances both form and function, featuring Correlated Color Temperature (CCT) Select Technology with five selectable light color options (2700K/3000K/3500K/4000K/5000K). This allows you to easily customize the lighting atmosphere to suit your space and lifestyle. With convenient remote control operation, multiple speed settings, reverse functionality, and sophisticated finish options, the Pendry Max combines modern design, customizable illumination, and powerful comfort for great rooms, lofts, covered patios, and other large-scale living environments. Includes built-in WiFi receiver and TR360 hand-held remote control.
