Pendry Smart Ceiling Fan with Light By Fanimation

Description

The Pendry Smart Ceiling Fan with Light combines sleek contemporary styling with advanced performance, making it a standout addition to both indoor and covered outdoor living spaces. Available in 56-inch and 72-inch blade sweeps, Pendry's clean six-blade design creates a modern focal point while delivering impressive airflow powered by an energy-efficient DC motor for quiet operation and enhanced control. An integrated dimmable LED light kit features Correlated Color Temperature (CCT) Select Technology, allowing you to choose between three popular light color options, Warm White (3000K), Cool White (4000K), and Daylight (5000K), to perfectly complement the mood and function of your space. The included handheld remote control provides convenient operation of fan speeds, light functions, and reverse capability for year-round comfort. Offered in multiple designer finish combinations, the Pendry effortlessly blends sophisticated style, customizable lighting, and efficient airflow. Whether installed in a great room, bedroom, covered patio, or porch, Pendry delivers the perfect balance of comfort, performance, and modern design. TR305 hand-held remote with two 3V CR2032 batteries included.
