TriAire Custom Marine Grade Smart Ceiling Fan By Fanimation

Description

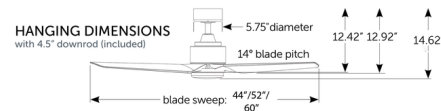

The TriAire Custom Marine Grade Smart Fan by Fanimation is a versatile and durable ceiling fan designed to perform beautifully in both indoor and outdoor settings. Constructed with marine-grade materials and offered in weather-resistant finishes, it's built to withstand dry, damp, and wet environments with ease. The fan comes equipped with a TR360 handheld remote for effortless control and supports both standard downrod and sloped ceiling installations. Compatible with the Fanimation fanSync Wi-Fi app, the TriAire Custom can be integrated into your smart home system for convenient voice or mobile control. With reversible airflow for year-round comfort and eight available blade sweep sizes to suit any space, the TriAire Custom combines style, performance, and adaptability in one sleek, reliable design. The version with LED Light has built in color temperature adjustability. Switch from 3000/4000/5000K.
