Triaire Custom Smart Ceiling Fan

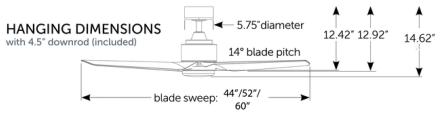

By Fanimation

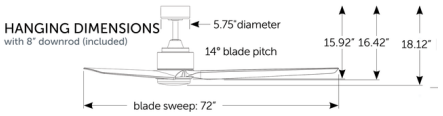

Description

The highly modern and functional TriAire Ceiling Fan is an exceptional choice for both indoor and outdoor locations. Designed for versatility, it comes in several blade spans, ensuring the perfect fit for any space. Featuring three sleek and slender blades, this fan is powered by a high-performance DC motor, available with or without an integrated light. All Fanimation fans include FanSync, allowing users to control their fan through smart devices with audio voice assistance. With integrated Wi-Fi or Wi-Fi technology built into the ceiling fan receiver, FanSync enables seamless operation from a smart device. Additionally, the TriAire Ceiling Fan includes a remote control and is Energy Star certified for optimal efficiency.The version with LED Light has built in color temperature adjustability. Switch from 3000/4000/5000K.
