Triaire Custom Smart Ceiling Fan with Large Light

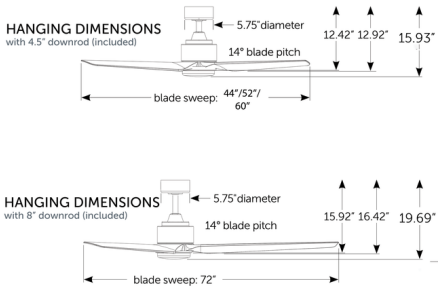

By Fanimation

Description

The highly modern and functional Triaire Custom Smart Ceiling Fan with Large Light is an exceptional choice for both indoor and outdoor locations. Designed for versatility, it comes in several blade spans, ensuring the perfect fit for any space. Featuring three sleek and slender blades, this fan is powered by a high-performance DC motor, available with an integrated 12 Inch light. All Fanimation fans include FanSync, allowing users to control their fan through smart devices with audio voice assistance. With integrated Wi-Fi or Wi-Fi technology built into the ceiling fan receiver, FanSync enables seamless operation from a smart device. Additionally, the TriAire Ceiling Fan includes a remote control and is Energy Star certified for optimal efficiency.Light also includes CCT Select technology, offering five selectable color temperatures 2700K, 3000K, 3500K, 4000K, and 5000Kso the light can shift from warm and comfortable to bright daylight.
