Kute3 Smart Flush Ceiling Fan with Knurled Light By Fanimation

Description

The Kute Flush Mount Ceiling Fan with Knurled LED Light Kit brings bold style and smart functionality to spaces with lower ceilings. Designed with a Close-to-Ceiling Kit for a sleek, low-profile installation, this flush mount fan delivers high performance without sacrificing headroom, making it ideal for both indoor and covered outdoor environments. Powered by an energy-efficient DC motor, the fan operates quietly across six variable speeds for exceptional comfort throughout the year. The included 16W LED light kit features a distinctive knurled metal trim and CCT Select technology, allowing you to customize your lighting with five color temperature options ranging from 2700K to 5000K. With a high CRI of 90 and a 1,600-lumen output, it offers crisp, natural illumination for any space. The Kute Flush Mount includes a TR360 handheld remote for easy operation and is compatible with the Fanimation fanSync Wi-Fi app for smart control via your smartphone or voice assistant. Available in a variety of stylish motor and blade finishes, this fan is the perfect choice for those who want high-end design, intelligent features, and powerful performance in a compact, ceiling-hugging form.
