Kute3 Smart Ceiling Fan with Double-Walled Light By Fanimation

Description

The Kute Smart Ceiling Fan with Double Walled Light Kit offers a perfect blend of style, smart functionality, and powerful performance. Designed for both indoor and covered outdoor use, this sleek, fan features a highly efficient DC motor with six speeds. The integrated 16W LED light kit includes a sophisticated double-walled glass design and CCT Select technology, allowing you to customize your lighting with five color temperature options ranging from 2700K to 5000K. With a bright 1,600-lumen output and a high CRI of 90, it provides clear, natural illumination for any space. Smart control is built in, thanks to fanSync Wi-Fi compatibility and the included TR360 remote, letting you manage your fan and light from your phone or voice assistant. Available in a variety of stylish motor and blade finishes, the Kute is the ultimate combination of comfort, control, and contemporary design.
