Kute3 Smart Flush Ceiling Fan with Double-Walled Light By Fanimation

Description

The Kute Flush Mount Ceiling Fan with Double-Walled LED Light Kit offers the perfect combination of modern design, smart functionality, and efficient performance, all in a low-profile form. Specifically crafted for spaces with lower ceilings, this flush-mount version features a compact installation that maintains a sleek, streamlined look without sacrificing airflow. Powered by an energy-efficient DC motor, it offers six variable speeds for optimal comfort in any room or covered outdoor area. This model includes a 16W integrated LED light kit with a sophisticated double-walled glass design and CCT Select technology, allowing you to tailor the lighting with five color temperature settings ranging from 2700K to 5000K. With a high CRI of 90 and a 1,600-lumen output, it provides bright, natural illumination that enhances any space. Smart features come standard, including fanSync Wi-Fi compatibility and a TR360 handheld remote, giving you full control of your fan and light from your phone or voice assistant. Offered in a wide range of stylish motor and blade finishes, this Kute delivers elevated design, smart control, and quiet power, ideal for modern living in rooms where ceiling height is limited.
