Kute3 Smart Flush Ceiling Fan

By Fanimation

Description

The Kute Flush Smart Ceiling Fan is the perfect blend of modern design, advanced technology, and high-performance airflowall in a low-profile configuration. Specifically designed for rooms with lower ceilings, this flush mount version includes a Close-to-Ceiling Kit that delivers a sleek, space-saving installation without sacrificing power or style. Ideal for both indoor and covered outdoor spaces, this fan is powered by a quiet, energy-efficient DC motor with six speed settings. The option with the integrated 16W LED light kit features CCT Select technology, offering five color temperature options (2700K-5000K) and a high CRI of 90 for bright, natural-looking illumination. Smart control is built in with fanSync Wi-Fi compatibility, and the included TR360 handheld remote lets you manage fan speed, direction, and lighting directly from your smartphone or voice assistant. Available in a variety of motor and blade finish combinations, the Kute Flush brings comfort, efficiency, and elevated style to any low-ceiling space.
