Half Dome Wall Mounted Arc Lamp

By Nova of California

Description

The Half Dome Wall Mounted Arc Lamp is a modern lighting fixture designed by Peter Morelli in 1960. This innovative wall-mounted arc lamp features a sleek steel body and a steel base, offering a striking silhouette that complements any modern interior. The steel dome shade diffuses light softly, creating a warm and inviting atmosphere. Designed and crafted in Venice Beach, California, this lamp embodies the fusion of form and function, making it an ideal statement piece for living rooms, bedrooms, or home offices. Equipped with a floor foot slide dimmer, the Half Dome allows for personalized lighting control, enhancing its versatility in various settings. Note: Not all options are available
