Morelli Tambo Adjustable Arc Floor Lamp By Nova of California

Description

Featuring a dramatic blend of suspension and natural materials, the Tambo Arc Lamp is a Mid-Century Modern masterpiece designed by Peter Morelli in 1984. This arc lamp showcases a striking silhouette with a steel body and a wood base, exuding timeless sophistication. The lucite shade adds a touch of elegance, making it a statement piece perfect for your living room, bedroom, or home office. The lamp's design is not only visually appealing but also functional, providing warm, ambient light that enhances any space. Backed by NOVA's century-long commitment to quality, this lamp is a lasting investment in design and light. Its foot slide dimmer on the floor enables easy lighting adjustments, creating the perfect atmosphere for reading or relaxation.
