Morelli Ceiling Light

By Nova of California

Description

The Morelli Flush Mount is a modern ceiling light fixture designed by the NOVA Design Team in 2026. This elegant piece features a steel body and base, complemented by a white Lucite shade, providing a sophisticated and sleek appearance. With its minimal profile, the Morelli Flush Mount seamlessly integrates into various settings, from bedrooms to dining rooms, offering a balanced, room-filling glow that enhances any modern decor. Designed and crafted in Venice Beach, California, this flush mount embodies NOVA's commitment to high-quality craftsmanship and innovative design. Equipped with an ELV dimmer, the Morelli Flush Mount allows for adjustable lighting to suit any mood or occasion.
