Stretch 18 inch Semi Flush Ceiling Light

By Nova of California

Description

The Stretch Semi Flush Mount is a sophisticated lighting solution featuring a steel body and a drum-shaped shade. This Semi Flush Mount delivers an iconic architectural silhouette, perfect for anchoring a seating area with mid-century clarity. Backed by NOVA of California's century-long commitment to quality, it is a lasting investment in design and light. Equipped with an ELV dimmer, the Stretch Semi Flush Mount offers ambient precision, allowing you to adjust the lighting atmosphere to suit your needs. Its substantial steel base ensures stability and permanence, while the generous shade diffuses light evenly for reading or relaxed conversation.
