Float Arc Floor Lamp

By Nova of California

Description

The Float Arc Lamp is a modern masterpiece designed by Peter Morelli in 1960, showcasing a sweeping, gracefully arched silhouette that defines elegance. This arc lamp features a steel body and base, paired with a drum-shaped shade that diffuses light softly, creating a warm and inviting atmosphere. Designed and crafted in Venice Beach, California, it stands as a testament to NOVA's commitment to quality and innovation. Ideal for living rooms, home offices, or as a statement piece in any room, its versatile design allows for overhead lighting without the need for an electrician. Equipped with a built-in dimmer switch located on the column stem, the Float Arc Lamp offers customizable light intensity, making it perfect for any occasion.
