Baltic Wall Sconce

By Quoizel

Description

Combining organic materiality with clean Scandinavian lines, the Baltic Wall Sconce reinterprets coastal design through a quiet, minimalist framework. Its clear water glass shade casts a gently rippled pattern of light, anchored by hand-wrapped natural rope details that bring tactile balance to bath vanities, corridors, and bedside spaces. Can be installed upwards and downwards.

Shown in brushed gold / clear water

BACKPLATE SIZE: 5" Dia.
