Octave Pendant w/Opal Glass

By Savoy House

Description

Get a pendant look with understated elegance when you get the Savoy House Octave pendant. It features a single large shade of curved clear glass, minimal detailing and a rich finish. Pendants are extremely versatile and can fit in many different spaces, such as kitchens, family rooms, great rooms, foyers, entryways, offices, bedrooms and bathrooms. Because this pendant is chain-hung, you can use as much or as little chain as you need to fit your specific hanging height needs, and this pendant can be used on a sloped ceiling.
