## Oneida Rectangle Color-Select Mirror

By Savoy House

### Description

Make every morning brighter with this Savoy House Oneida rectangular front lit LED mirror! Its sleek and beautiful design is loaded with thoughtful, useful features, all controlled by touch. Choose from three different color temperatures - 3000K, 4500K and 6500K - to find the light that is perfect for you. Increase or decrease the brightness using the stepless dimmer. Keep things clear with the defogger, which shuts off automatically after one hour. For convenience, Oneida even remembers and restores the last used illumination setting! This mirror is free from lead and copper, comes with mounting hardware and is backed by a 3-year warranty. Can be mounted vertically or horizontally.
