Mae Rechargeable Table Lamp

By Savoy House

Description

Traditional meets organic! A textured bamboo design on the body of this Mae LED table lamp by Coco & Dash, finished in Brass, pairs perfectly with a plated brass shade for a solid, convenient glow. Tap directly on the top center of the shade to switch the light on or off, hold to increase or decrease brightness. Because this lamp is rechargeable, you don't have to worry about having a wall outlet nearby add a little light anywhere you need it. USB to USB-C power cord included
