Cora Rechargeable Table Lamp

By Savoy House

Description

The fabulous half-moon style design of this Cora LED table lamp from Coco & Dash is sure to draw attention, no matter where you use it! A plated brass shade and detailing mixes nicely with a marble feature on the body to create classic chic. It's portable and rechargeable, too! Because this lamp has a flat back, we recommend using it in a bookshelf or atop a table that is next to a wall. Touch dimmer switch. USB to USB-C power cord included.
