Shawnee Chandelier

By Savoy House

Description

The Savoy House Shawnee chandelier brings natural texture and relaxed sophistication together in a beautifully airy design. Its drum-shaped shade of woven rattan is accented by radiating rattan details that create depth, movement, and sun-washed organic character throughout the fixture. Warm Brass hardware complements the natural tones of the rattan beautifully, adding a polished contrast that keeps the look refined and elevated. Shawnee is especially striking in dining rooms, bedrooms, living spaces, and interiors inspired by coastal, organic modern, and relaxed transitional style.
