Damen Pendant

By Savoy House

Description

The Savoy House Damen pendant pairs graceful geometry with richly layered texture for a look that is distinctive and timeless. Its airy open framework is adorned with quatrefoil detailing with a soft, floral-inspired pattern that brings elegance and visual rhythm to the design. Frosted glass lenses diffuse the illumination beautifully while adding dimensional texture throughout the fixture. Damen takes on a warm and inviting character that is especially striking in dining rooms, foyers, and living spaces.
