Posey Rechargeable Table Lamp

By Savoy House

Description

The Posey rechargeable table lamp from Coco & Dash for Savoy House brings vintage-inspired floral artistry to a beautifully compact design. Drawing inspiration from classic European tole chandeliers, sculptural brass and iron sunflowers create an elegant decorative base filled with warmth, texture, and romantic character. The Warm Brass finish enhances the lamp's soft glow while adding polished refinement throughout the piece. Portable and rechargeable, Posey offers flexible illumination for bookshelves, bedside tables, patios, and other thoughtfully styled spaces. Simply tap the top center of the shade to turn the integrated LED light on or off, hold to increase or decrease brightness. USB to USB-C power cord included.
